UNITED STATES DISTRICT COURT

DISTRICT OF NEVADA

JULIAN VALDEZ-ARAGON,

Petitioner,

v.

UNITED STATES OF AMERICA,

Respondent.

CASE NO: 2:10-CR-89-GMN-LRL

MOTION SEEKING LEAVE TO SUPPLEMENT;
AND SUPPLEMENT TO PETITIONER'S
DISCOVERY MOTION PURSUANT TO RULE 6(a)
GOVERNING SECTION 2255 PROCEEDINGS

AND ORDER

Petitioner Julian Valdez-Aragon ("petitioner"), in pro se, hereby seeks permission to supplement his previously file Discovery Rule 6(a) motion Governing Section 2255 Proceedings. This supplement is based upon the petition and the previous Rule 6(a) motion, the government's response, and the accompanied reply brief to the government's response, together with all of the papers and pleadings on file and the evidence and argument to be presented at the hearing petitioner requests on the issue of ineffective assistance of counsel raised in his Section 2255 motion.

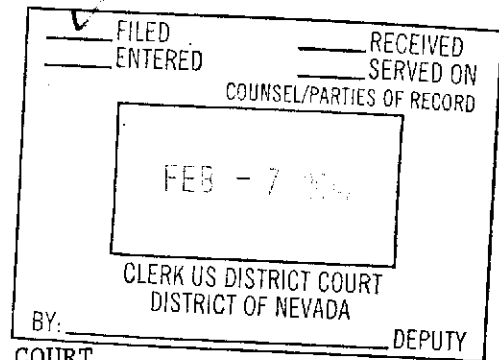

Dated this 4th day of February 2014.

SUPPLEMENT

With the filing of his Section 2255 petition, petitioner also filed a discovery motion pursuant to Rule 6(a) of Rules Governing Section 2255 Proceedings. After receiving the government's response, petitioner believes that the facts and legal arguments made in his reply brief are sufficient to establish "good cause" for the relief requested in the original Rule 6(a) motion pending in this Court. Petitioner sees no reason to simply restate the facts and case law as outlined by petitioner in his reply brief given that in his estimation he touches upon all the relevant facts and applicable law to his request for discovery.

Thus, rather than rewrite his original Rule 6(a) motion in a way suitable to the government's response in opposition to the discovery process, petitioner respectfully requests this Honorable Court to incorporate and consider by reference the facts and arguments made by petitioner in his reply to assist its conclusion concerning the merits of petitioner's discovery motion.

Respectfully submitted,

Julian Valdez-Aragon
